## HOUGHTON AND KEWEENAW SABBATH SCHOOL LEAGUE

Organization is Perfected Which Includes Every Sunday School in Both Counties—Will Stimulate Interest in the Sabbath School Work in This Section.

About sixty earnest Sunday school workers of Houghton and Keweenaw counties, gathered at the First M. E. church of Laurium last evening to perfect the organization of the Houghton and Keweenaw County Sunday School association. The meeting was a success in every way, and the organization was perfected along the lines outlined at the meeting which was held in the Y. M. C. A. a few weeks ago. Practically every large school in the county was represented at the meeting and affiliated with the new league. Others who were not represented will be urged to join the league at once.

The object of the association is to carry on a broader and more efficient work among the Sunday schools of the copper country, and to conduct conferences at regular intervals, which will be addressed by some of the leading specialists of the country, at which each school may come in touch with the latest and most satisfactory methods. The association aims to reach those who are not at present connected with any school, but who might become active workers.

Rev. W. M. Ward, pastor of the Laurium M. E. church, gave the visiting workers an enthusiastic welcome, after which Rev. J. S. Gould of Hancock gave a short talk on "Grading the Sunday Schools." "The Minister and the Sunday School" was ably handled by W. C. Kinsman in a brief talk. In addition to these numbers a musical program was very excellently rendered.

At the last meeting, held at the Y. M. C. A., the officers of the organization were selected as follows: President, Rev. Jesse Povey, Lake Linden; secretary, George Winchester, Houghton; and treasurer, A. P. Hagen of Lake Linden.

A committee of five will be named by the chairman of the organization to devise a plan to finance the association, and to report at the next meeting to be held in the Y. M. C. A. on December 14. A good social program will be prepared for this meeting and literary and musical numbers will be provided in addition to an address.

The annual meeting of the association will be held on Washington's birthday, February 22, at a place to be appointed later.

### WILL BE HERE NOV. 3.

Burr McIntosh is the Star in "The Gentleman From Mississippi."

"A Gentleman From Mississippi" will be the attraction at the Calumet theater on Nov. 3. It is a screamingly funny comedy of life in Washington and is splendidly played. The Chicago cast, which presented the piece for more than six months in that city, will be seen in the play here. Burr McIntosh gives a rugged and untutored performance of the jovial senator who finds himself suddenly transplanted from his cotton fields to the national capital and William Denning is said to be a champion laugh-maker as the breezy young newspaper correspondent who pilots the new senator through the reefs and rocks of political intrigue. There are many pretty women who wear pretty gowns and can act just as well as they look.

### TO SERVE WITH MILITIA.

The adjutant general's department has received notice that Sergeants David Sheedy, John D. Ralke and Farmer W. Chute 2nd U. S. Infantry, have been detailed for service with the state troops. These non-commissioned officers have been receiving a special course of instruction to fit them to aid company officers in instructing their commands, and each will be assigned to visit and instruct in turn the several companies of each of the three regiments of infantry.

Misses Doyle-Anderson have opened a display of art needle work and materials at Vertin Bros. The ladies are invited to visit the display.

EXCURSION TO DULUTH. Leaving October 27th and 28th, return limit November 1st. \$10.00 for the round trip.

## FINE MUSICAL RECITAL BY TEKLA FARM MCKINNIE

Attractive posters which have been designed by the students of the Calumet high school have been widely circulated throughout Calumet, to advertise the benefit musical recital to be given at the Calumet theater tomorrow evening by Tekla Farm McKinnie. The proceeds of which will be given to the Calumet Associated Charities. The posters are unique in design and color, and reflect credit upon the students.

Mrs. Tekla Farm McKinnie will reach Calumet today, and the music lovers of this community are looking forward to the entertainment with pleasure. It is expected that the theater will be crowded, and that the program will win the fullest appreciation of those present. Several local numbers will be arranged for. Those instrumental in arranging for this entertainment, and who have had charge of the sale of tickets request that all seat reservations be made before tomorrow at 1 o'clock, so that the seats unreserved may be disposed of. Regarding the entertainment recently given at Virginia, Minnesota, the following comment is made by the Virginians.

"The concert given last evening in the opera house by St. Paul's Episcopal Guild was a very successful entertainment in every respect. The Guild was fortunate to secure Mrs. Tekla Farm McKinnie and her husband, Mr. Bart P. McKinnie of Turp City, Neb., for this occasion. The young people are celebrated vocalists and particularly throughout the copper and iron country districts of Minnesota and Michigan. Mrs. McKinnie is a product of Michigan and at one time a resident of this city where she began her musical career. This gifted young couple gave the Virginia people a rare treat and they graciously responded to the repeated encores."

## TAMARACK MINER IS KILLED BY A FALL OF VEIN ROCK

A fatal accident occurred at No. 5 shaft of the Tamarack mine at about 3:30 o'clock yesterday afternoon, in which Michael Merilina, a well known young man, was the victim. Merilina was working on the south side of the 34th level of the mine, when a large piece of vein rock fell through the mill a distance of about 80 feet, striking him in the head. He suffered a fractured skull from which he died shortly afterward.

The deceased was a single man, 25 years of age, and is survived by no relatives in America. He leaves an aged father and mother in Finland. Justice R. B. Rule of Tamarack conducted an inquest yesterday afternoon, and after hearing the testimony the following verdict was returned by the jury:

"That Michael Merilina came to his death at the 34th level on the south side of No. 5 shaft, Tamarack, at 3:30 o'clock, Monday, Oct. 25, 1909, by rock coming down the mill. We call it purely accidental." The verdict was signed by the following jurors: John Garau, Leonard DesRosier, Pat Sliney, Sam Sims, Chas. Perkins, and William Peters.
